Apprenticeship **opens** **the door** to so much good.

What exactly is a Registered Apprenticeship?

- An earn-and-learn model—meaning you make money instead of taking on debt.
- Customized training that works to your strengths with a minimum of 2,000 hours of on-the-job training with a mentor.
- A minimum of 144 hours of related classroom training per year.
- National Occupational Credential meets the highest standards.

What are the benefits of a Registered Apprenticeship?*

- Find stability — 90% of apprenticeship program finishers stay at their job.
- You will receive regular pay increases.
- A career pathway that rewards you for new skills.
